This information must be documented on the online Emergency/Medical form.

Camper Health

Parents must keep their camper at home during the infectious stage of colds, digestive upsets, or other illnesses. Please notify us when your camper is ill with a communicable disease (chicken pox, etc.), so that other parents may be alerted to watch for symptoms of illness. Campers must be fever free for 24 hours prior to sending them to camp. When in doubt, please do not send your camper to camp.

Behavior Policy

In our Power Camp program, we believe that discipline is a process and a means of guiding and helping campers to develop appropriate ways to navigate and solve problems in social situations. Our teachers and support staff model appropriate behavior by treating campers and each other with courtesy and respect. If a camper is having behavioral difficulties, staff will redirect inappropriate behaviors and guide the camper in making better choices. If a camper has continued behavioral difficulties, to the extent in which the camp environment is disrupted and/or the camper's behavior poses a safety risk to himself and/or others, parents will be contacted to assist with problem solving and developing an action plan that will ensure the safety of all campers.

Power Camp Behavior Guidelines:

All campers will respect themselves and others, both verbally and physically.

All campers will respect camp property and materials.

All campers will respect and follow the camp activity schedule.

If a camper has not been able to show respect in these areas, the following steps will be taken in order to ensure the safety and respect of each camper.

STEP 1: The camper's teacher, or whoever observes the behavior in question, will talk to the individual privately encouraging a more positive way to behave and/or problem solve.

STEP 2: The teacher has the right to continue to support the behavior of concern, as long as he/she feels that it will result in a more positive outcome for all involved.

STEP 3: If the teacher should need assistance in this situation, the camper will be brought to the Camp Director. At this time the Camp Director will contact the parent/guardian of the camper. An appropriate disciplinary action plan will be agreed upon.

STEP 4: If the camper chooses not to adhere to the disciplinary action plan following the above steps, the Power Camp Lead Teaching Staff and Director will hold a meeting and determine the camper's continued status in the camp.

Drop off/Pick up Procedures during REGULAR CAMP HOURS

On the MONDAY ONLY of each session, you will be required to walk your camper(s) into the church for check-in. Each morning begins in the Fellowship Hall, for check-in, music and worship. You will not be permitted to drop off your camper(s) unless you have submitted all required forms and paid all fees for the given session.

CARPOOL PROCEDURES:

Drop-off: (Tuesday-Friday)

Please enter the church parking lot from Bellaire Boulevard and proceed in a single file line around the church to the area marked by traffic cones at the entrance used by School for Little Children. At 9:00am, staff will begin approaching the cars and unloading children. Campers will then be escorted by staff to the Fellowship Hall for morning gathering, music and worship.

Pick-Up: (Monday-Friday)

Again, please enter the church parking lot from Bellaire Blvd., and remain in a single file line as you drive around the church building until you come to the area marked by traffic cones. You will remain in line until a staff member brings your camper(s) out to your vehicle. Please have your name plate hanging on your rear view mirror or sitting on your dash, so that staff is able to recognize you and know who you are picking up. Name plates will be provided at check-in on Monday morning(s). Staff will ensure that your camper(s) are safely inside your vehicle; however, you will be responsible for safely securing your camper(s) in their car seat/seatbelts. Once your camper is safely in the vehicle, you are to proceed to the parking area by the church office to secure your child in their car seat, so as not to block traffic.

As this drop-off/pick-up procedure has worked for Power Camp for years and has proven to be convenient for busy families, we understand if you would prefer to pick up your camper(s) inside. If you choose to do this, please park in the far lot off of Newcastle, behind the church. You may enter the building at the church office front doors. The campers will be sitting with their teachers in the hallway near the School for Little Children office for dismissal. Please check out with your child's teacher before taking your camper(s).

Drop off/Pick up Procedures for Extended Care

If your camper attends extended camp hours before and after camp, drop off and pick up procedures will be different. You will drop off and pick up inside the building each morning and afternoon. In addition, you will be required to sign your camper in and out each morning/afternoon. Before/After care room/location is to be announced.

Who May Pick Up My Child?

Only those listed on the registration form may pick up your camper. If different arrangements are made, teachers must be notified in writing of this change. A valid Texas ID will be required for pick up in these special cases.

Parking Lot Safety

Because the safety of children is our highest priority, you are asked to follow these guidelines when leaving and picking up campers:

- Parents are welcome to use any of the church parking lots.
- The parking lot directly behind the church is a ONE WAY lot with the entrance on Bellaire Blvd. Please DO NOT enter this parking lot from Newcastle.
- Handicapped spaces must be left vacant for those who need them.
- DRIVE VERY, VERY SLOWLY in the parking areas at ALL times. Look in every direction.
- DO NOT leave unattended infants or other children in cars. This is against the law, as well as unsafe.
- DO NOT leave purses or valuables visible in your car as you walk in.

Are We Ready for Camp?

The following items must be returned on or before May 31, 2020. Campers whose files are not complete will not be permitted to begin Power Camp. All required forms (electronic and PDF) may be found at bellaireumc.org.
