# BUMC SUMMER CAMP/VBS POLICIES AND PROCEDURES

Please keep in mind, while we will do everything reasonable to keep your children, and our staff healthy, BUMC Children's Ministry summer programs are not a 100% risk free environment. The responsibility lies with each individual person and family to maintain a healthy environment for children by following our camp policies and those of local authorities.

1. Only staff and students are permitted in the building once camps have started. Parents are not permitted unless there is a specific need to be there and arrangements are made in advance.
2. All Camp/VBS drop-offs and pick-ups will be at the camp door. Parents/caregivers will bring children into the building and sign students in and out each day at the camp door.
3. In last 24 hours has your child experienced any of the following:
  - Feeling feverish or temperature above 100\*
  - Loss of taste or smell
  - Cough
  - Difficulty breathing
  - Fatigue
  - Headache
  - Sore throat
  - Diarrhea
  - Nausea
  - In the last 14 days been around anyone suspected or confirmed to have Covid-19?

**If answer is yes to any of the above, the child will not be allowed into camp.**

4. **Anyone picking up a child must be listed at time of registration as an approved/authorized pickup.** Authorized people picking up children should have ID available if they are not readily recognizable to the staff or director.
5. Lunches, snacks, and water bottles need to be provided from home.
6. Hands will be washed before and after snack time as well as throughout each camp activity. Hand sanitizer will be available in every room.
7. If a child should become ill during camp/VBS, we will care for that child until a parent/caregiver can pick the child up. The ill child will be removed from camp and comfortably monitored in a separate area near the front office. Parents should have plans in place to pick up an ill child within 30 minutes of notification.
